# FOREVER NOT FORGOTTEN GOLF TOURNAMENT

Wednesday, July 23

In support of Siloam Mission, MMIWG, and the Pay It Backward Foundation

Welcome back to the Pay It Backward Foundation's 6th Annual Forever Not Forgotten Golf Tournament in Winnipeg. When people see a need here, they roll up their sleeves and get it done. Our kind of everyday heroes! Funds raised from this tournament will go toward Siloam Mission's Mental Health & Wellness Program, and MMIWG's work in Manitoba.

There will be inspiration in the air, greens teeming with do-gooders, and optimism shining down every fairway. Whether this is a chance to meet new friends, inspire your teammates, or recharge your personal commitments, you'll be motivated to be the change you want to see in your own community and the world.

# **Your Charity Supports Therapeutic Retreats for Community Members**

Ending homelessness seems easy on the surface: provide food, housing and jobs. But what most

people don't see is the crushing reality beneath the surface. The emotional and spiritual damage keeping so many people stuck on the street.

Schizophrenia. Depression. Addictions. Trauma from abuse and neglect. Mental disabilities. Post-traumatic stress disorder. Brain damage. Fetal alcohol spectrum disorder. Lack of relationships.

Many of the men and women in Siloam Mission's programs struggle with poor mental health because

they are socially isolated. They have lost their capacity to hope and cope and they don't know how to rebuild relationships.

Your support will help send community members on therapeutic retreats that will help them recover, stay sober and manage their mental health. By building a

community of support, they will work through deeply painful and adverse experiences.

You can help, with the swing of your club!

# Inspiring Individuals and Organizations to Give Back to their Communities

### SPREADING A MESSAGE OF HOPE

At the Pay It Backward Foundation, every action we take starts with hope for a better tomorrow. Watching optimism and courage take hold in the hearts of the underprivileged, the vulnerable, and the abused as they work toward a brighter future is all the motivation we need. The exciting thing about getting involved and giving your time, talent and treasures is that hope builds every day. It's infectious!

### TOUCHING LIVES IN THE SPIRIT OF LOVE

When everyday stresses are weighing us down and there aren't enough hours in the day, it's more important than ever to step outside ourselves and make connections. We may not know how it feels to be hungry or homeless, but we all understand feeling alone and misunderstood. There's nothing that heals the hurt better than the compassionate salve of a listening ear and a gentle, open heart.

### **CHAMPIONING OPPORTUNITY FOR EVERYONE**

The ability to close one's eyes and believe in a better life is crucial to success.

Without the motivation of achievement, how does a child complete his homework?

Without a goal on the horizon, how does a single mom stay in school? We believe that everyone, regardless of their past and present, deserves the freedom to dream about their future.

### INVESTING IN SELF-SUFFICIENCY AND EMPOWERMENT

One of the concepts held most dear at the Pay It Backward Foundation is teaching a man to fish, rather than feeding him for a day. We love to put our money and efforts into organizations that reach back and propel people forward on their own paths. Employment skills and training; literacy and budgeting classes; health and wellness workshops...the best way to make a difference is to give people the tools they need to find their own success.

#### **BUILDING CARING COMMUNITIES AROUND THE GLOBE**

The Pay It Backward Foundation was created to inspire individuals and organizations to give back to their communities. Find your passion and jump in! The more you make a difference, the more difference it makes. And when your family joins in, and your friends, your office, your neighborhood, your town and state? That's when the magic happens. We're not going to stop until we've made a difference in every major city in America, Canada, and beyond. Join us!
